Looks good to me. I'm going to have to meet with Russ and Kevin this morning and discuss our options if this becomes protracted and truckers refuse to leave. That will become a very resource intensive operation and our outside agencies have a shelf life.

SSgt Stoll,

I'm assuming you'll be the ESU Commander later today and as such I'd like you to have eyes on this Draft Demobilization Plan prepared by Insp. Marin.

I was hoping you'd be able to review it and provide input as you see fit. Looking at any role your team my play in facilitating the departure of the convoy.

I welcome your input.

Thanks Mike.

Paul
